Hello,

My 87 year old uncle recently came into town for a funeral. He took us on a tour of Oakland Beach and the River View Section of Warwick where he grew up. He showed us where he worked on a chicken farm on Manning Street at age 14 and the places he used to hang out with friends. He showed us his best friend's house at 32 Mill Cove Road. He said his name was Harry Radio. Although I have searched the obituary archives at Providence Public library, I have not found the name to be a valid surname.

How could I find out the owner name for the property at 32 Mill Cove Road dating back to around 1942? Any help is appreciated!

Take care,

Sharon
